

Federico Lanzilotta

User Interface & Visual Designer

About.

Hello,
I'm Federico Lanzilotta, a
designer born in Italy and
currently living & loving
in Barcelona.

With +4 years' experience in graphic design, as freelance and in agency, I love designs brochures, menus, business cards, responsive websites, mobile design, logotype and anything the clients needs, in short. I work fast and well with all Adobe CC programs and have advanced skills in photo editing. Proficient with WordPress.

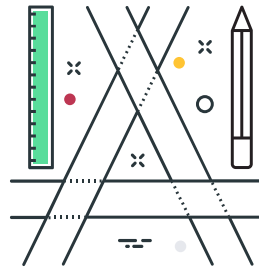

I speak Italian, English, Spanish and my best is a good sense of contrasts, colors and shapes.

What can I do for you.
